Dear DJS Staff and Colleagues,

This letter is to provide you with a further update on the status of the youth at the Baltimore City Juvenile Justice Center (BCJJC). The conditions at BCJJC continue to be stabilized and we have had no new influenza cases in youth since Sunday. All youth are recovering quickly. This is a very good indication that things should be returning to normal soon.

Again, DJS will continue to keep you fully informed as additional information becomes available. As always, thank you for your continued leadership and support for the youth we serve.

Sincerely,

Donald W. DeVore
Secretary
